Sonny Soe 8:51 PM

Hi Brother U Aung Kyi Maung !

Me too A.G.T.I (M.P) 1972 -1975 from Insein G.T.I.

You 8:55 PM

Book and Toy Library - the first kind of such community library he said.

You 8:56 PM

This is for our guests Ms. Diana and Ms. Alice.

You 8:56 PM

This Book and Toy Library aim to give holistic education for children, youth and elders .

You 8:57 PM

The activities and investments are all self-help.

You 8:57 PM

When they started in 1991 June they have only 10 Lakh MMK.

You 8:58 PM

In 2020 they decided to build a new infrastructure that was much needed.

Finally it costed 180 Lakh MMK. Got some donation but still having a burden of Bank loan.

In any case the community collected donations from among others and we are still having confidence that we can do it.

Sonny Soe 9:00 PM

Wow ! Awesome already passed successfully for 33 years.

You 9:00 PM

He is working on charity and rain water harvesting projects.

He has installed the rain water harvesting tanks (both underground tanks and surface tanks.

You 9:02 PM

As a contractor, he used to build 3 storey up to 6th storeyed buildings. He told the owners to install the rain water harvesting systems.

You 9:02 PM

He also try to invest groundwater recharge.

He is a practical man - really handy and committed.

Sonny Soe 9:03 PM

Filling rain water from ground water pipe, like a man-made aquifier.

Sonny Soe 9:07 PM

My home have rain water collecting from my roof, but missing to fill into groundwater pipe. At the moment I'm far from home, put in my mind for future home improvement plan.

Stanley 9:03 PM

I was invited to this zoom meeting by U Sonny Soe. I like to contribute my Singapore National Li

brary experience to this "Books and Toys Library " I am Stanley Win (U Sein Win).

You 9:15 PM

အားလုံးပါဝင်မှ ဖြစ်မယ့်အကြောင်း ပြောနေပါတယ်။

You 9:15 PM

စာထဲမှာရေးထားတာနဲ့ တကယ်ဖြစ်နေတာ ကွဲလွဲချက်ရှိ။

ပါကစ္စတန်မှာလုပ်တဲ့ ဆွေးနွေးပွဲမှာလည်း ဒီလိုမျိုးတွေတွေ့ခဲ့ရတယ်။

CANSU GLOBAL

Dr. Swe Swe Aye 9:19 PM

• Thank you & Congratulations to Drs. Alice Bouman-Dentener, (Vice President of WRTC International, Knight of the Order of Orange-Nassau in the Netherlands) for sharing very interesting topics; since, Water is at the core of sustainable development & and is critical for socio-economic development, healthy ecosystems and of course, for women empowerment...

Alice Bouman-Dentener 9:24 PM

I am sorry to leave before closing. My next meeting is in 5 minutes. look forward to the materials and the power-points. See you in Yangon in June Alice

You 9:25 PM

He lives in Singapore since 1993 - after retirement I volunteer at the Singapore National Library. National Library Board in Singapore - I acquire the knowledge and experience about the Library.

You 9:26 PM

He offer his knowledge and labour to help Myanmar Libraries.

Win Mon Mon Lwin 9:26 PM

Very glad to hear, sayar Stanley

You 9:26 PM

He advised to make a chat group and he will continue after this event.

THANK YOU SAYA STANLEY!!

You 9:27 PM

we will take your offer respectfully.

Win Mon Mon Lwin 9:29 PM

The timing is ok par teacher gyi

You 9:29 PM

My name is Ko Maung Maung Oo. Leader of the Mandalay Natural Green Alliance.
Environmentalists.

He wants to discuss that role of women in Myanmar is not always subordinate but also the prominent.

You 9:31 PM

Ayeyarwady River is addressed as Female (mother).

You 9:31 PM

Our country Myanmar is regarded as Mother Land.

You 9:32 PM

Mr Tun Yee

Tadashige KAWASAKI 9:32 PM

Allow me to leave the discussion to prepare for my another mission. See you next time and 10W WF in Bali.

You 9:33 PM

Safe and clean drinking water for schools

You 9:33 PM

50 units installed in upper Myanmar.

You 9:33 PM

The same quantity in the lower Myanmar.

You 9:33 PM

Even in Yangon - there is difficulty to get safe and clean drinking water.

You 9:34 PM

In Bago region, Htantapin - the drinking water come from ground tank - no fence.

You 9:34 PM

Polluted water in the drinking water ponds.

You 9:35 PM

Users know it but they have to (and willingly) ignore the fact.

You 9:35 PM

The role of women may be to purify the household drinking water suitable for the health.

You 9:36 PM

Water purification systems are easy and inexpensive

You 9:36 PM

We can help.

You 9:36 PM

If you women (water mothers and the participants of this forum) start a campaign, we are here to collaborate with you!

You 9:37 PM

We have knowledge and experience and technology.

You 9:37 PM

RO system has its shortcomings.

You 9:37 PM

If you compare - there are many benefits of the cheaper option.

Win Mon Mon Lwin 9:38 PM

Good idea sayar U Tun Yee

Htain Lynn Aung 9:38 PM

I can contribute freely to set up online digital library if needed and the example as follow- <https://hlpu.info>
